(Special Correspondence of The Press)

COVELO, Jan. 13. — Schools reopened last week after the mid-winter vacation. The Covelo high school and grammar school convened Monday, January 5 and the Reservation folks went back to work Friday, January 9. All members of the high school faculty were out of town visiting relatives and friends and all came back to their duties, either Saturday or Sunday. Mr. and Mrs. W. W. Coke visited their sons and their families — Earl in Berkeley, Wilbur in Pasadena and Dr. Coke in Los Angeles. Arthur Wren and wife also went as far as Pasadena, where they passed New Year day with Mr. Wren's sister, Mrs. C. C. Manning. At Fullerton they visited another sister, Mrs. E. J. Young. They enjoyed Christmas with relatives at Hollister and at Fresno visited Mrs. Wren's brother, V. V. Regnart. Mrs. Alice Bradshaw enjoyed a sojourn with her son, Frank, at Berkeley; Principal Lester Skelley visited his parents at Chico, Miss Rosalie Pellegrini went to Seattle to see her parents and Miss Dorothy Farnsworth passed the vacation with her parents in Berkeley. Mr. and Mrs. George Knoupf passed the vacation with Mrs. Knoupf's home folks at Salinas.

Season's Rainfall.

The rain last week raised the season's total rainfall to 13.66 inches.

Improving The Roads.

The road grader and crew, under direction of J. B. Bellatti, local road boss, has been doing some good work on the streets and main traffic ways, leveling, filling and smoothing, since the rain.

Putting In Pipe Line.

The Round Valley Land Co. has recently reorganized over a mile of pipe of their water system, laying new pipe and burying it deeper to prevent freezing. The work was done by C. S. Foster.

Have The Right Man.

A marked improvement has been made in the condition of roads and lanes on the Reservation. Under the direction of J. B. Bellatti many roads that have always been impassable in winter have been graveled and graded. The work was all done by Indian labor, men and teams, and paid for by the Government Indian Department.

All Dolled Up.

The auditorium has been redecorated, as has also the domestic science room, and both have been greatly improved in appearance. The various organizations holding meetings in these rooms contributed toward defraying expenses. The piano has also been tuned and refinished.

Just Like A City.

Vann Bros. Popular Service Station has added to the equipment a hydraulic lift which will be ready for operation this week.

Adding Equipment.

Whit Ham's new garage and service station, in the Jake Short building, is about to install a hydraulic lift and high pressure greasing system. The plant was opened for business the first of the year and will be one of the best equipped garages in this part of the state.

Lost And Won Games.

The A, B and C basketball teams of the local high school went to Willits Friday to play the high school teams there. Lester Skelley, Arthur Wren and George Knoupf accompanied the local boys. The scores stood: A team, 17 to 11 in favor of Willits; B team, 19 to 12 in Covelo's favor; C team, 7 to 4, with Willits as victor.

Mendocino A Winner.

The Mendocino town basketball team arrived in Covelo Saturday to play Covelo's town team. Members of the party were H. D. Pearce, A. F. Silvera, Louis Borgna, E. F. Lemos, L. F. Madera, Miles Paola, Dana Potterfield, Al Lemos, Frank Valentine, Clifford A. Mundsen, Arthur Lemos and Walter Silva. After a hard-fought game the visitors were victorious by a score of 16 to 15. Back To The City.

Members of the Wylie English house party over the holidays returned to their homes in San Francisco last week. They were Mr. and Mrs. H. D. Saunders, Miss Doris English and Melvin Bailey.

Old Ties Renewed.

Another delightful over-Christmas house party was enjoyed at the home of Mrs. Sarah Hamilton in a charming family reunion. Children who came home for the occasion were Mr. and Mrs. Dave Crumwine, of Salinas; Mrs. J. L. Toscana and two daughters, Sydney and Ines, of Los Banos; Mrs. Irene Judge and daughter, Margaret, of Oakland; Mrs. Ruth Haydon and James Hamilton, of Oakland.

Meet Monday Next.

The Round Valley Chamber of Commerce will hold a meeting at Hotel Covelo Monday. There will be a dinner served and the hotel management would appreciate having reservations made in advance.

Aid Society Entertains.

An unusually profitable afternoon was passed at the manse Friday by the Dorcas Aid Society of the Presbyterian church. Seventeen ladies were present, a quilt was tacked for Mrs. W. Williamson, election of officers was held and a social time enjoyed with tea and cake. Newly elected officers are: President, Mrs. J. S. Rohrbough; vice-president, Mrs. Earl Caldwell; secretary, Mrs. J. L. Dunlap; treasurer, Mrs. Charles Lovell. It was voted to have the manse painted and pay for the job out of the Aid treasury. A letter was read from Mrs. Viola Smith, missionary in the Philippine Islands.

Many Enjoyable Dinners.

Several delightful dinner parties were given on New Year day as a fitting finale to the busy holidays. Though a trifle belated, we mention a few. Mr. and Mrs. R. M. Anderson were guests of Mr. and Mrs. C. S. Foster and daughter, Beulah Vel. Mrs. Laura Russell had as guests her mother, "Grandma" Duncan, her sister, Mrs. Florense Asbill, and her daughter, Mrs. Clyde Riffe, Mr. Riffe and their two small daughters. Rev. and Mrs. C. H. H. Moore, Mr. and Mrs. Charles Bucknell and Leonard Henderson were also of the party. Mr. and Mrs. Byron Hurt and Gavin had as guests Mr. and Mrs. Will Osborne and Mr. and Mrs. Delbert Osborne and two little sons. Mr. and Mrs. T. B. Hill, of Hotel Covelo, had as guests Mr. and Mrs. D. A. Gravier, Mr. and Mrs. Tod Hurt and son, Laurence. Mr. and Mrs. George Ellis entertained the staff of Round Valley Commercial Co. together with their families at a turkey dinner at Hotel Covelo. Those present beside Mr. and Mrs. Ellis and granddaughter, Imogene Lovejoy, were Mr. and Mrs. Sam Gray, Mr. and Mrs. Frank Hagne, Mr. and Mrs. Chas. Gray, Mr. and Mrs. Vinson English.

A Japanesey Affair.

The welfare committee, which has charge of the social session of the next meeting of the Covelo Women's Improvement Club, is sending out unique invitations which read from right to left on each line, instead of left to right as is usual. Members of the committee are Mrs. Iris Hill, chairman, assisted by Mesdames Burnham, Edith Walter, Frieda Walter and Jennie Lovell. The choral section will sing in public for the first time that afternoon and other interesting features are being planned. The invitation is only one feature of the Japanese "twist" the party will assume, much of which is being planned as a surprise. Proceeds will be used to meet the club's pledge of $5.00 to be contributed to the County Federation Welfare Committee fund for the screening of porches at the County Health Camp.

A School Program.

Pupils of the seventh and eighth grades of the Covelo schools will put on a program at the auditorium Friday afternoon. The affair is planned and arranged entirely by the student body. All interested are invited.

A Benefit Dance.

There will be a hard-time dance at Hotel Covelo January 23, for the benefit of the air landing fund which Covelo is to raise toward buying the site. Music furnished by home talent and a good time is promised.

Made A Trade.

Vinson English has made a deal whereby he trades his mountain range and acquires land in the valley.

Moved To Town.

The Frank Haydon family has moved in from Long Ridge and taken possession of the Green ranch, recently purchased by him.

Return To Duty.

Principal Leo Saunders, of the grammar school, passed his mid-winter vacation with his parents on the ranch at Boonville. Miss Muriel English, of the same faculty, enjoyed the latter part of the holidays in San Francisco visiting her sisters, Mrs. H. D. Saunders and family and Miss Doris English.

Back To Classes.

Covelo young people who are attending the University of California and other schools have all returned to their studies. Roger Perkins, Thomas and Joseph Long and their friends from San Francisco, who have been here, and Carol Handley departed Friday. Cyril Spurlock left Tuesday and was accompanied by his sister, Miss Isabelle, who will make an extended visit with a sister, Mrs. Zora Gantz, and brothers, Emmet, of Sacramento, and Carl, of Cordelia. Beverley Rohrbough returned to the University of California last week. Harold Dunlap went to Davis Friday. Will Yates returned to San Jose Teachers College last week. He was accompanied by his sister, Miss Lena, who visited a friend in Watsonville until Sunday when she returned to Ukiah to take up her duties in the faculty of the city schools. Lawrence Short, of Bell Springs, has also returned to Davis. Miss Shirley Rohrbough returned last week.

The High School Contingent.

High school students returning to Covelo to enter the second term are Miss Jessie McKinley, of Mina, Milton and Donald Dunlap, of Laytonville, Stanford and Miss Audrey Short, of Bell Springs.

Mr. and Mrs. Leslie Dunlap and family drove over from Laytonville Saturday to pass the week-end with the J. L. Dunlap family.

Mr. and Mrs. Ralph McCombs, of Ukiah, are making an extended visit with Mrs. McComb's father, Granville Begley, and other relatives and friends.

Miss Tilby Nelson returned to her home at Elk Creek Sunday after a visit with her parents, Mr. and Mrs. Clarence O'Ferrall, and sisters.

Rev. R. W. King and wife have received word of the well being of Assemblyman and Mrs. G. E. Stigar, who are in Sacramento during the legislative session.

FAMILY DOCTOR LEARNED THIS ABOUT CONSTIPATION

Dr. Caldwell loved people. His years of practice convinced him many were ruining their health by careless selection of laxatives. He determined to write a harmless prescription which would get at the cause of constipation, and correct it.

Today, the prescription he wrote in 1875 is the world's most popular laxative! He prescribed a mixture of herbs and other pure ingredients now known as Dr. Caldwell's Syrup Pepsin, in thousands of cases where bad breath, coated tongue, gas, headaches, biliousness and lack of appetite or energy showed the bowels of men, women and children were sluggish. It proved successful in even the most obstinate cases; old folks liked it for it never gripes; children liked its pleasant taste. All druggtores today have Dr. Caldwell's Syrup Pepsin in bottles.

Would Treat Indians Fairly In New Law

A movement is on foot, not only to urge settlement of Indians' suits with the U. S. government but also to provide Indians with hunting and fishing licenses free of charge according to an announcement made recently by Thomas Johnson, Sebastopol Indian orchardist and leader of the Indian cause in northern California. Many of the Indians have to rely on fish and game for their daily food. It is not the intention to let the suits instituted by the Indians for regaining their land drag until many of the claimants are dead according to Tom Johnson who does not think the Indians break the game laws of their white brothers.

PRAISE WORK TRUSTEES DID

Redwood Valley Residents Satisfied With School Board

APPROVE THE WORK

Parents and taxpayers of Redwood Valley have expressed entire satisfaction at the manner in which the school trustees and school faculty handled the recent emergency occasioned by the destruction of the school building.

(Special Correspondence of The Press)

REDWOOD VALLEY, Jan. 13.— The recent fire which destroyed the school house has wrecked the educational system only temporarily for, with the splendid co-operation of the trustees and valuable assistance of Prof. F. F. Zeek, who arose to the emergency so well, the disaster has been handled carefully and promptly cared for. A meeting was held the morning following the fire and arrangements were made to convert the Grange Hall into a temporary school; text books were ordered, and Prof. Zeek was authorized to go to San Francisco to select desks and furniture which could be used in the new school when built.

Have Excellent Class Rooms.

R. Muir, with a crew of workmen, has partitioned the Grange Hall into four comfortable rooms. The kitchen and dining room will be used for an ante and washroom. A stove has been placed in each room. The text books and handsome new desks have arrived and are in place. A pressure system has been installed and school will be going this week. Janitor Myers will continue his service and will live in his quarters on the regular school grounds.

Mr. and Mrs. F. Gerhart and children, Joe, Francis and Helene, of San Francisco, and Dr. and Mrs. R. E. Graun, of Los Gatos, were visitors the forepart of January at the home of Mr. and Mrs. L. Waletschek.

Southern Visitors.

Mrs. Fred DeCarli has been enjoying a visit from her mother, Mrs. M. Martinazzi, and also a brother and sister-in-law from Madera. Mrs. Martinazzi, Jr., is a daughter of Mr. and Mrs. Adolph Antoni, of Calpella. They have been dividing their time between the two homes.

Mr. and Mrs. D. J. Perkins have returned from a delightful visit with relatives in southern California.

May Undergo Operation.

Mrs. James Borgna was taken to the hospital last week, where she is being treated in preparation for an operation. A specialist from San Francisco has been summoned in consultation with Dr. Cleland to determine the advisability of an operation. Friends of Mrs. Borgna are much concerned and interested that she will soon receive proper aid and benefit for her long-standing trouble.

Consults A Specialist.

Mr. and Mrs. W. D. Lolonis went to San Francisco recently to consult a physician regarding their son's health. The lad has been complaining of a pain in his side and doctors have not been able to determine the trouble or cause.

In Howard Hospital.

Norval Nelson, the small son of Mr. and Mrs. E. Nelson, has been seriously ill with bronchial pneumonia. He was taken to Willits a week ago where he has been under the care of Dr. R. Babcock and is now improving but will have to remain a week or more before being permitted to return home.

Had Pneumonia.

Henry Buckholz has been a victim of pneumonia but the crisis was reached Friday when the temperature dropped and he is steadily improving.

P. T. A. Met.

The P. T. A. held an executive board meeting at Grange Hall Sunday afternoon at which time Mrs. T. Gullickson was elected treasurer to succeed Mrs. P. Fernbach who tendered her resignation. Other items of business were discussed and will be brought up at the regular meeting, which will be held Friday evening at Grange Hall. Mrs. Nels Nelson will have charge of the program for the evening.

Are To Entertain.

Mrs. Henry Winsby and Mrs. Leland Wade will entertain the C. S. S. A. at the clubhouse Thursday afternoon.

Sunday School Teachers Conferred.

A meeting of the Sunday school teachers was held at the home of the superintendent, Mrs. T. Gullickson, Friday evening.

B. Brakebill has purchased a Ford Sedan, 1928 model.

Fred Goudge is in San Francisco where he is employed at the City Coal Company.

S. Sorenson is back from a 10 days' visit with his children in the bay cities.

Redwood Valley School Notes.

(Sylvia Ulvila, Reporter)

School opened Monday with the same number of children, including a new one, Elaine Travers. All are enjoying the new desks, especially the first and second grades, which have the latest type of tablet chairs, made of steel with plywood tops.

Sewing will be discontinued for a while.

Band will also be discontinued on account of the music books, racks and two drums being burned.

Marvina Ford lost her trombone in the fire.

The school children and teachers wish to thank the trustees for the work they have done in getting ready the Grange Hall for our school.

Italian Affair Will Draw Many Dancers

A much anticipated event is the dance of the S. M. S. Star d'Italia which will be held at Dreamland auditorium on Saturday evening, January 17. One of the principal attractions of the affair will be a midnight supper featuring exclusively an Italian menu. The funds derived from the dance will go toward caring for sick members of the organization and widows and orphans. A Berkeley orchestra has been engaged for the dance and the interest manifested augers well for the success of the occasion.

DEPUTIES MUST KNOW THE LAW

Commission Directs A Knowledge Of Statutes Be Acquired

Nobody smiled when California established schools of instruction for state traffic officers and highway patrolmen and with the announcement deputy fish and game commissioners will study law enforcement from a special book on crime investigation sportsmen and hunters had best look to their p's and q's, or in other words they had better see horns before they shoot and fish forms before they drop their hooks, because the deputies are all taking a real course in law.

They Must Study

The book, entitled "Criminal Investigation" is written by Charles W. Fricke and has been purchased in large numbers and is being handed out for study by division librarians and every deputy will be required to have a knowledge of the book.

What Aims Are.

Such a course is designed to increase the efficiency and judgment of the officers as well as to give added interest in this branch of the service. The book is said to contain in a practical way the important points relative to the apprehension and conviction of law breakers. It tells what sort of evidence to gather and how to secure it. Affairs dealing with witnesses, court room conduct, suggestions for investigation and how to deal with the various classes of game law violations.

Restless CHILDREN

CHILDREN will fret, often for no apparent reason. But there's always Castoria! As harmless as the recipe on the wrapper; mild and bland as it tastes. But its gentle action soothes a youngster more surely than a more powerful medicine.

That's the beauty of this special children's remedy! It may be given the tiniest infant — as often as there is need. In cases of colic, diarrhea or similar disturbance, it is invaluable. A coated tongue calls for just a few drops to ward off constipation; so does any suggestion of bad breath. Whenever children don't eat well, don't rest well, or have any little upset—this pure vegetable preparation is usually all that's needed.

MADE A LONG TRIP IN AUTO

Lindley McLintock, Of Texas, Motored Here With His Bride

(Special Correspondence of The Press)

CALPELLA, Jan. 13.—A very happy reunion took place at the home of Mr. and Mrs. L. W. McLintock recently, following the arrival of their son, Lindley McLintock, and his wife from their home in San Antonio, Texas, to pass the holidays at the family home at Calpella.

Has Excellent Position.

Mr. McLintock is booking and inspecting manager for Paramount-Famous Players at San Antonio where he has been the past five years. Mr. and Mrs. McLintock motored here and upon reaching home wired back of their safe arrival after traveling more than 500 miles each day. At the family home at Calpella to greet the Texas business man and his wife, who was visiting here for the first time, were the proud parents and Mr. and Mrs. L. J. McFarland and son, Mr. and Mrs. Kirby Ford and six children, Mr. and Mrs. A. D. Cromwell and two children and Ben McLintock. It was not only the first visit here of the Texas matron; it was her first visit to California and she won the hearts of her husband's family from the first. Many former school friends of Lindley McLintock took advantage of the opportunity to greet him while he was here so the visit proved a very happy one.

Paul Dagoli and E. Venturi returned Sunday from Cloverdale where they had been the last few days.

Mr. and Mrs. Clarence Mitchell were visitors Sunday at the home of Mrs. Mitchell's parents, Mr. and Mrs. P. Trimeloni.

Richard Merkey returned Sunday from Oakland where he had been visiting friends and relatives. While there Mr. Merkey called on Mr. and Mrs. Monte Lang. Mr. Lang was a former resident of Calpella.

A. Malon enjoyed a trip to Crockett last week, where he was visiting his sister whose home is in Crockett. Mr. Malon returned Friday.

A Pedro Party.

Mr. and Mrs. A. Antoni entertained a few friends at a Pedro party Thursday evening. After the game refreshments were served. Those present were Mr. and Mrs. F. Pacini and children, Yolanda, Mary and Michael Pacini, Mr. and Mrs. H. Davis and son, Bobbie, and Mr. and Mrs. E. J. Hastie.

Has Been Sick.

Tom Brydon has been suffering from a severe cold.

Mr. and Mrs. H. W. Davis were visitors at the Roy Ford home in Redwood Valley Monday.

P. T. A. Meets Tomorrow.

The next meeting of the Calpella Parent-Teacher Association will be held at Calpella school tomorrow evening, January 15, at 7:30.

Mrs. Frank Pacini and daughters Mary and Yolanda, and son, Michael were visitors at the home of Mr. and Mrs. James De Carli, south of Ukiah Saturday, where friends and relatives had gathered to celebrate the third wedding anniversary of Mr. and Mrs. James De Carli.

Long-Distance Is No Longer Barrier

Zeryl Jackson, local young business man, had the pleasure of a telephone communication last week with William Reed at Dallas, Texas, Mr. Reed is a medical student at the Southern Methodist University and the call, made here at midnight, routed the young man from bed at two o'clock. The connection was made in less than four minutes and the voice in faraway Texas came in as clear as if in the same room. William Reed is the son of Reverend Douglas T. Reed of Booneville and passed his vacation here last year.

HOME FROM SOUTH

Mrs. Mary Ruddock has returned following an extended visit with her son, Dr. Carroll Ruddock, of Los Angeles.

MISS FRAZIER ILL

Miss Joan Frasier is quite ill with an attack of influenza.

L. DE MOTTE IS LAID TO REST

Former Ukiah Resident Who Died In Modoc, Buried There

The friends of the E. F. De Motte family here were shocked and grieved when word came Thursday of the passing of Leslie De Motte at Alturas, following an illness of more than two weeks caused by influenza which developed into pneumonia. E. F. De Motte and son, Theodore, were at his bedside when the end came. Mrs. De Motte, the grief-stricken mother, left here immediately upon receipt of the news. Funeral services for the young man were held Saturday from the Baptist church.

A Native Of Nebraska.

Leslie Irwin De Motte was born in Nebraska and was 31 years old. He passed his boyhood at Davis Creek, Modoc county, where the family own a ranch. In 1922 he came here with his parents and later went to the bay district and to the eastern part of the United States. He was wedded to Hazel Mae Mitchey, a trained nurse, following a hospital romance and his short life with her was a very happy one. Beside the devoted wife, who seldom left his bedside during the two weeks of his critical illness, he is survived by an infant son, Charles, his parents, and two sisters and four brothers: Mrs. Erma Dunn, Miss Rosalie De Motte, Edgar F. De Motte, Jr., T. M. De Motte, Harold L. De Motte and Caryl De Motte, to whom the sympathy of friends is extended.

A Popular Man.

Throughout his brief life Leslie De Motte made and retained the friendship of many. He was held in highest esteem in the community in which he lived and during his illness everything a family and a community could do to aid him was forthcoming. His bereaved wife and baby and mother will arrive here in about 10 days and the young wife will remain at the De Motte home for awhile.

He Knows Because He Had Experience

County Clerk Harry M. Burke is one of the latest converts to the fact everyone reads The Republican Press. The genial county clerk's office was fairly swamped by applications for fishing and hunting licenses after it was announced in The Republican Press they were due and could be secured there. Licenses are not on sale any more at the office of the county clerk but may be secured at the office of D. C. Smith, county treasurer of Mendocino county.

U. C. WILL BE HERE SHORTLY

Saturday Night University Stars Will Play Ukiah

The first contest between a University team and the Ukiah high school in the local community will be held Saturday night when the strong Ukiah unlimited team will meet the clever University of California 130-pound team on the high school court.

It's California's Turn To Be Licked.

Ukiah has worked hard all week in an attempt to develop more effective team work in an effort to give the visiting collegians a lesson or two in how the sturdy Ukiah mountaineers play basketball. The Ukiah team is all pepped up over the contest and is out to chalk up a victory against California as well as Stanford, which they accomplished last week by defeating the Stanford freshmen by the score of 20 to 18.

Hours Of Games.

California lightweight teams are always fast. They are sure to extend the local lads to the limit, and the outcome of the contest appears to be a toss-up. In a preliminary contest the little Ukiah B team will meet the Ukiah Athletic Club 145-pound team. This contest will start at 7:15 while the game between the unlimiteds and the California team will start at 8:15.

Big Crowd Expected.

Pre-game gossip indicates the local high school gymnasium will be packed for this contest. The Ukiah high school team has been putting the community on the athletic map with its sensational basketball and it will be a nice token of appreciation for the team's efforts if every able-bodied rooter is on hand to cheer them on to victory.

The Old Soak is coming to town. Be sure and see him at the high school auditorium. 32-3c

Judge L. D. Mooney, of Fort Bragg was called to the county seat Friday on professional business.

SLAYER TELLS

(Continued From Page One)

Then I left his body lying there and drove back to Westport."

Would Not Talk.

Mr. Mosier drove rapidly to Westport and asked the sheriff be notified he had killed Mr. Lynch and he had left the body lying where it had fallen in the corral of the Lynch ranch. Upon being asked about the affair by interested friends in Westport, Mr. Mosier was said to have replied. "I have nothing to say; but at the proper time I shall make a complete statement to the District Attorney and then whatever he wishes to do will be all right."

Heard The Shots.

Mrs. Oran Lynch and Mrs. Blanche Cornwell, of Fort Bragg, who was visiting at the Lynch home heard three shots and rushed out of the house toward the scene of the shooting, finding Oran Lynch lying prone upon the ground, dead, and catching a glimpse of someone speeding away from the scene in an automobile. Harold Barnard, who lives a short distance west of the Lynch ranch, had observed Mr. Mosier as he drove toward the Lynch home, later hearing the shots, fired in quick succession, and saw Mr. Mosier returning in his truck. Mr. Barnard started toward the Lynch home and on the way there met Mrs. Lynch who was hysterically recounting the death of her husband.

Killed Wrong Man?

Torrence Mosier, who swiftly followed out his code of honor by shooting and killing Oran Lynch, named by his 16-year-old daughter as her betrayer and the father of her unborn child, a week ago at Wages Creek, may have killed the wrong man!

Charges by Mrs. Oran Lynch, widow of the slain man, the girl had falsely accused Mr. Lynch to shield another man, were followed by a guarded statement from District Attorney Lilburn Gibson who said an investigation he had made left "grave doubts" in his mind as to the truth of the girl's accusations and he planned to further question the girl when she is brought to the detention home at Ukiah from an Upper Lake hospital, where she is confined with a severe cold.

Trial Date Set.

Mr. Mosier will face trial in superior court at Ukiah February 2, the date having been set after he had pleaded not guilty and not guilty by reason of insanity when arraigned before Superior Judge H. L. Preston.

Neighbors Believe Mistake Made.

Since the slaying occurred there has been a growing belief in the Westport section Mr. Lynch was falsely accused, and Sheriff E. L. Williams said he was "not entirely convinced" Mr. Lynch had been involved in an affair with the girl.

May Have Pneumonia.

Alice Mosier, who went to Upper Lake after the shooting to visit an aunt, Mrs. M. Waymire, was stricken ill Friday and fear was expressed by physicians she had contracted pneumonia. Mendocino county authorities have been advised it will be several days before Miss Mosier can be moved to the detention home.

Many Love Affairs.

District Attorney Gibson said he had investigated reports Alice Mosier had affairs with several high school youths, that he had succeeded in partially verifying them and this week planned a trip to the coast to continue the probe.

What Defense Will Be.

Torrence Mosier is convinced Mr. Lynch was the betrayer of his daughter, according to his attorney, Wayne P. Burke, who said the defense would involve an attempt to evoke the "unwritten law" and evidence would also be offered showing Mr. Mosier had killed Mr. Lynch "in the heat of passion."

Termed Premeditated Murder

District Attorney Lilburn Gibson branded the killing as "deliberate, cold-blooded and premeditated murder.

According to information brought out at the hearing, Alice Mosier had been residing at the Lynch home while attending school at Fort Bragg. Last Friday, it was said, Mrs. Lynch discovered the girl's condition.

Not knowing who was responsible for the girl's condition, she suggested the child go back to Westport and tell her father. She agreed, and on Saturday confessed to Mosier, telling him it was Mr. Lynch who had betrayed her.

Swore To Complaint

Sheriff E. L. Williams swore to the complaint in which it is alleged the prisoner is guilty of murder.

Has Offended Before

According to information which Sheriff Williams has gathered Torrence Mosier is an ex-convict. At one time he resided in Sonoma county and was sent to Folsom penitentiary from that county to serve a term of four years. The crime for which Mr. Mosier was convicted in Sonoma county was robbery and the offense is alleged to have been committed in 1891.

Doubt Girl's Story.

Because of Oran Lynch's good reputation in the community in which he lived, and the fact Mr. Lynch and Mr. Mosier had both been close friends residents of the Fort Bragg and Westport section are inclined to believe the accusations of the girl which led to the tragedy, it is reported. For several months the girl had resided in the Lynch home, and had been attending school at Fort Bragg. Since the shooting she has been taken to Lake county, where she is under care of an aunt, Mrs. M. Waymire, authorities announced. Mr. Mosier is being defended by Attorney Wayne P. Burke, of Ukiah.

Lived There A Lifetime

In the little town of Westport, where he had passed all of his 45 years of life funeral services for Oran Lynch were held last week. Mr. Lynch met a tragic death when he was shot down by his brother-in-law, Torrence Mosier, after being charged with an unspeakable offense by the 16-year-old daughter of the latter man. Mr. Lynch was born in Westport July 13, 1885. He is survived by his wife Uarka Lynch, his mother, Mrs. Barbara Lynch, and a brother, Cecil Lynch, all of whom reside at Westport. Reverend Father Finbar O'Callaghan officiated at the funeral service and interment was in the family plot in the Westport cemetery.

FIRST LEAGUE GAME IS OURS

Upper Lake Was Beaten in Championship Contest Friday Night

In the first league contest of the Northwestern League, Ukiah high school's unlimited basketball team made a very auspicious showing by trouncing Upper Lake high school at Lakeport Friday night by the score of 51 to 11. Ukiah had the situation well in hand after the first few minutes of play and kept pouring in a steady stream of buckets up to the end of the game.

Made Fine Showing.

The most adept at finding the hoop was Don Ciancio, who led the scoring with 21 points. He did not outshine some of his teammates on the floor, however, as Barton Campbell and John Balzarini gave an excellent exhibition of floor work and they kept feeding the sharpshooting Ciancio. John accounted for six points and Barton for eight. Arvo Ulvila and Arthur Poma also showed up well during the contest. Every man on the Ukiah squad was given an opportunity to perform for at least one quarter. Besides those mentioned above Everett Ingram, Maurice Sowerwine, Bill Carter and Carl Fred contributed to the team's fine showing.

Keeps Getting Better.

Ukiah has shown steady improvement in its floor work and its basket shooting, but the most remarkabe improvement is in the clean brand of basketball the boys are playing. In the last three contests Ukiah has committed only seven fouls to opponents 27. The fact is even more outstanding when one realizes two of the three opponents were the strong and speedy Piedmont high school and the Stanford freshmen.

Lakeport Won.

In a preliminary to the Ukiah-Upper Lake game the Ukiah B team lost a hard-fought game to the Lakeport Athletic Club 145-pound team by the score of 19 to 7.

away and with an apparently dry surface of road bed and clear atmosphere. So great was the feeling here at the time of the first accident, which was considered avoidable, it was commonly reported the case would be taken before the grand jury after the coroner's jury failed to bring in a report the accident was not unavoidable, but nothing further has been heard of the case. Both young women were prominent in Jewish circles of New York and many inquiries were received here from various friends of the accident victims which indicated a thorough investigation would be made. It will be recalled the two young women were passing the night at an auto camp south of town and started to walk to the Johnson auto camp a short distance further south. As they crossed the highway to the camp about nine o'clock they were run down on a straight stretch of highway by Mr. Newland who was accompanied by another printer, one body being tossed some distance by the impact. The verdict of the coroner's jury left the case open for investigation. At the Scales Garage, where the Newland car was taken for repairs, it was learned the top was damaged and the headlights smashed.

FOUND A SKULL

Considerable mystery attached itself to a human skull found Saturday on the Tomki by Eugene Shelton, who, presumably salmon fishing, came upon the gruesome object considerably above the present high water mark of the outlet of Eel river. The skull, exposed to the elements for some time, is in the keeping of Coroner W. F. Ornbaun who is of the opinion it might have been washed to its resting place by high water of previous years or carried there by wild animals. According to medical opinion the skull is that of a middle-aged woman. Five years ago a woman's foot was found in the vicinity. Many camping parties have visited the remote spots and it would be comparatively easy to do away with a body without detection of any sort.

A DESIGNER OF CHURCHES DEAD

Rollin S. Tuttle, Architect Passes Suddenly At Los Gatos

Friends of Rollin S. Tuttle, architect, were saddened to hear of his death Thursday night, January 8, at his home in Los Gatos. The funeral was Saturday morning at Los Gatos. Mr. Tuttle designed a number of beautiful churches in this section, including the new Methodist church in Ukiah. Three years ago his health broke and he moved out to Los Gatos, giving up his Los Angees and Oakland offices. Despite failing health he continued with his work. The last of his churches was dedicated January 4 at Fortuna. He was working on plans for a new church at Petaluma and had mailed out plans for the Porterville church the afternoon of the day he died. He will be missed by many friends in this section of the state and in a peculiar way by the Bishop and Superintendents of this area for his great help in planning new churches. Mr. Tuttle was related to Mrs. Irving M. Brazier, of this city.

SENATOR HANDY'S

(Continued from Page One)

the State of California, assembled in forty-ninth regular session on this sixth day of January, 1931, that we sincerely regret the passing of our beloved friend and colleague, Fred C. Handy, and ascribe to his memory the kindly sentiments so justly due him; and

"Be it further resolved, that this resolution be spread on the minutes of this day's proceedings of the Senate of the State of California, and that the Secretary of the Senate be requested to forward a copy thereof to the members of the family of our departed friend, and that when the Senate adjourns, it does so out of respect to the late Senator Handy."

Memory Was Praised

The oldest legislator in point of membership, and one of the best in the Senate, is Dan E. English, of the Twenty-sixth Senatorial district, who in writing to The Press last week regarding the memorial service held at the State Capital for the late Senator Fred, C. Handy, said:

Sacramento, Calif.
January 7th, 1931

Mr. A. R. O'Brien,
Ukiah Press,
Ukiah, California.

My dear Mr. O'Brien:

Senator Fred C. Handy was eulogized in the Senate today and a motion to adjourn in respect to him was offered by Senator H. W. Slater. Senator Slater spoke most feelingly of our dear friend. A wonderful tribute was given to him by Senator R. R. Ingels in seconding the motion of Senator Slater. He referred to The Republican Press and the issue which you got out carrying the expressions of respect for Senator Handy when he was ill in the hospital at San Francisco. Senator Ingles termed them as "flowers given to a friend before his death rather than afterwards." His speech was short and has done much to endear him to the membership of this body, and many of us who were intimate friends of Senator Handy deeply appreciate it.

As a personal friend of yours, which I will try to qualify as, I will appreciate some mention on your part of Senator Ingels' remarks relative to the deceased Senator Handy.

With very kindest personal regards, I am

Sincerely yours,
DAN E. WILLIAMS
